2016 PATROL BUREAU ACCOMPLISHMENTS

Patrol Bureau. The Patrol Bureau is the police department's largest bureau and functions under the direction of a Deputy Chief. The Deputy Chief is assisted in bureau supervision by six Lieutenants and twelve Sergeants.

The following information highlights the major accomplishments within the Patrol Bureau for consideration for inclusion in the 2016 annual report:

- August 20, 2016, Deputy Chief Quinlan retired from the police department and was serving as the Patrol Bureau Deputy Chief. Deputy Chief Sandquist was transferred from the Internal Affairs and Inspections bureau and will serve as the Patrol Bureau Deputy Chief.
- With the increase of sworn personnel, the Patrol Bureau has had up to 20 Officers in Training (OIT) at one time throughout the year and this number has ranged from 15-20 throughout the year. As reported by the Administration & Financial Bureau, 32 new officers were hired in 2016 and as these new hires get out of the academy and/or come from a self-sponsored program or other agencies, the Patrol Bureau is tasked to train these officers through the Field Training Officer Program (FTO) which generally takes 4-5 months of riding/working with Field Training Officers in patrol. As these new officers successfully pass FTO, we will be able to bring back some of the specialty units that had to be suspended due to staffing concerns. We were able to re-deploy 4 officers to the traffic unit and they have been assigned to the day and afternoon shifts and are providing traffic accident and traffic enforcement duties. It is expected that with more OIT's coming out of training in the coming months, we will continue to add more officers to patrol shifts and specialties throughout 2017.
- The Crime Suppression Unit (CSU) has been re-purposed to support the Patrol Bureau throughout the 2016 year and their primary assignment has been to support patrol by responding to calls for service and have been counted into the minimum staffing for the afternoon shift due to the staffing shortage/needs within the department. Although this unit was responsible for patrol service calls, they were still able to direct their proactive efforts in those high-crime areas of the city as identified through Intelligence and information gathered by the officers assigned and the Intelligence Unit (IIU). CSU was able to continue proactive enforcement during times when not committed to responding to calls for service. Below are some of CSU's statistics for 2016:

○ Felony Arrests	-	177
○ Misdemeanor Arrests	-	57
○ Cases Screened	-	287

○ Recovered Stolen Vehicles	-	154
○ Recovered Stolen Property	-	\$998,000 (Ttl. Est. Value)
○ Firearms Seized	-	67
○ Field Cards	-	27
○ Search Warrants	-	79
○ Agency Assists	-	101

NIBRS VS. UCR

NIBRS vs. UCR Crime Reporting: How Crime Statistics are Collected

The **West Valley City Police Department** submits crime statistics to the Bureau of Criminal Identification (BCI) and eventually the FBI using the National Incident-Based Reporting System (NIBRS).

What is NIBRS?

NIBRS is a method of collecting data based on each single incident and arrest. For example: During the commission of a residential burglary, the offender rapes and murders the homeowner. NIBRS counts three offenses: burglary, rape, and murder.

NIBRS categorizes crime into Group A and Group B Offenses. Group A offenses include *Crimes against Persons*, *Crimes against Property*, and *Crimes against Society*. *Crimes against Persons* are those in which the victim is always an individual (i.e. murder, rape, assault). *Crimes against Property* are those which money or property is obtained from the crime (i.e. robbery, burglary, bribery). *Crimes against Society* represent society's prohibition against engaging in certain types of activity (i.e. gambling, prostitution).

NIBRS Group A Offenses include:

- Murder/Non-Negligent & Negligent Manslaughter
- Justifiable Homicide
- Kidnapping/Abduction
- Forcible Rape, Forcible Sodomy, Forcible Fondling
- Sexual Assault with an object
- Aggravated Assault, Simple Assault, Intimidation
- Incest
- Statutory Rape
- Robbery
- Arson
- Burglary/Breaking & Entering
- Extortion/Blackmail
- Larceny
- Motor Vehicle Theft
- Counterfeiting, Forgery, Fraud
- Embezzlement
- Stolen Property: Buying, Receiving, Possessing
- Destruction of Property/Vandalism
- Bribery
- Drug/Narcotics Violations (incl. Drug Equipment)
- Pornography/Obscene Material
- Gambling
- Prostitution (incl. Assisting/Promoting)
- Weapons Law Violations

NIBRS Group B Offenses are only reported in the event of an arrest, and include:

- Bad Checks
- Curfew Violations/Loitering/Vagrancy
- Disorderly Conduct

- Driving under the Influence
- Family Non-Violent Offenses
- Liquor Law Violations, Drunkenness
- Peeping Tom
- Runaways (Persons under 18)
- Trespassing
- All Other Offenses

What is UCR?

Many police agencies use the UCR System which is not incident-based, but rather uses a "Hierarchy Rule". This means that in a situation where multiple offenses were committed at the same time and place, the crimes are classified and only the highest ranking offense is counted and the rest are ignored, regardless of the number of offenders and/or victims. Similar to the NIBRS Group A and B categories, UCR groups crime into Part 1 and Part 2 Offenses.

For example: During the commission of an armed bank robbery, the offender strikes a teller with the butt of the handgun, runs from the bank and steals an automobile. The three Part 1 offenses that occurred are robbery, aggravated assault and vehicle theft. Since robbery is the "highest" ranking offense of the three, this is the only offense that would be reported. The other two offenses would be ignored.

UCR Part 1 Offenses include:

- Homicide
- Rape
- Robbery
- Aggravated Assault
- Burglary
- Larceny/Theft
- Motor Vehicle Theft
- Arson

UCR Part 2 Offenses are only reported in the event of an arrest, and include:

- Other Assaults
- Forgery, Counterfeiting, Fraud
- Embezzlement
- Stolen Property: Buying, Receiving, Possessing
- Vandalism
- Weapons Law Violations
- Prostitution
- Sex Offenses
- Drug Abuse Violations
- Gambling
- Offenses Against the Family and Children
- Driving Under the Influence
- Liquor Law Violations, Drunkenness
- Disorderly Conduct
- Curfew Violations, Loitering, Vagrancy
- Runaways (Persons under 18)
- All Other Offenses
